*Considering booking a color consultation?
Here's what to expect:*

01

You can expect to meet with me to review suggestions for your home approximately one week after our initial appointment.

02

Allow yourself 3-5 days to consider the color suggestions **in the home** before making a final decision. This will give you the opportunity to view the recommended colors at various times of day as the light changes.

03

I am happy to provide large format color samples for you to review, however, please understand these can take up to two weeks to arrive.

04

Don't have time to wait for the large format samples to arrive? Plan on painting a large sheet of poster board to get an accurate depiction of what the color will look like on various walls of your home.

05

Choosing the right painter is key to a successful project. I am happy to provide referrals upon request!
